PUBLICATION SPECIALISTS

Producing an ongoing publication, whether it be weekly, monthly, quarterly, or annually, can be a time-consuming and challenging endeavor. Arise Publication Specialists offers unique and specialized services to assist you, start to finish, in producing the best possible publication. The services we provide are an excellent resource for both professionals and newcomers of the publishing and printing industries! WE SPECIALIZE IN PRODUCING PUBLICATIONS IN NEWSPAPER, TABLOID, MAGAZINE, AND CATALOG FORMATS!

WE WILL PRODUCE YOUR PUBLICATION FOR YOU!

Using your concept, your basic ideas, and your vision for the publication, we will provide the necessary technical and creative capabilities, that will take your publication from a dream to a reality. We offer design and production services that allow us to work with you, from start to finish, from concept to completion, and from idea to printed piece. We'll even assist you with the basic ideas and concepts, should you so desire!

We'll produce your ads, flow-in your articles and text, create cover/section designs, supply stock art, graphics, and photos, while arranging all items in a cohesive, visually-appealing, professionally-designed publication! **ARISE PUBLICATION SPECIALISTS WILL PRODUCE YOUR PUBLICATION, AND PREPARE IT, ELECTRONICALLY, FOR PRINT!** We work closely with area printers, using both web and sheet-fed presses, to acquire the technical specifications necessary to ensure your publication is prepared specifically to work with the printer's equipment, for a hassle-free, quality product!

ALSO: We offer layout, production, and editing services for daily newspapers! Outsource your copy-editing, ad-production, or entire sections!

AND: We provide specialty services for churches and Christian organizations!
